Pastor's Column

The Pettisville Man Cave Ministry recently sponsored a special event for men, an event open to men of the surrounding communities.

Upon hearing about the event in the early publicity stage, I had the event posted on the wonderful digital sign we now have along S. Defiance Street. After the event was over, I received an email thanking us for the promotion of the event on the new church sign. They heard from several people who said they saw it on the SJCC sign and it was how they learned about the event to begin with. We use the sign to publicize events and schedules, as well as to share scripture and helpful quotes. The sign is a great tool for informing the community about SJCC, and the Christian Church and ministry in our area.

I have shared with the pastors of the Archbold Area Ministerial Association (AAMA) that if they have events open to the community, we'd be glad to promote the event on the digital sign. I strive to be very community minded in our ministry here at SJCC. Our location on the corner and the natural beauty of the large and magnificent modified gothic design of the building naturally draw people's attention to SJCC. Being engaged in the community draw's people's attention to SJCC. The digital sign further draws people's attention to SJCC. And the true reason for drawing people's attention to SJCC is to draw them to, to point them to, Jesus Christ.

Drawing attention...In John 12, as Jesus predicted his death, he also said, "But I, when I am lifted up from the earth, will draw all men to myself." The digital sign is a tool we can use to draw people to Jesus. There are many such "tools" to be used. The Holy Bible reveals God's Word by which people are drawn to Jesus Christ. Radio worship broadcasts and live streaming draw people in. Worship services, Sunday school, small groups and fellowship gatherings draw people in to learn about Jesus Christ. So many tools! One of the greatest tool we have to use in drawing people to Jesus is...US!

That's right, US! You and me, me and you. We have been, and will continue to be, equipped to, as the Risen Christ proclaims "go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matthew 28:19-20

We'll be exploring "going and making disciples" as we look to the next few months – be watching for some further plans...

In Christian Service,

ERICH

Congregational News and Thank You's

Dear Church Family,

I am grateful to God to share with you the good news that I have received a call to serve as the pastor of Crossroads Presbyterian Church in Woodbridge, Virginia. Jenny and I are both excited to join the Crossroads church family, and to serve the congregation and partner with them in gospel ministry, serving the broader community. Lord willing, we will move to Virginia mid-June, and then I will begin my pastoral responsibilities early July. We have sold our house in Archbold, and are looking for a place to call home in Virginia. We will share our address when we know where we'll be living next. We appreciate your continued prayers through the remainder of our transition: as we look for a home, as we move and settle in, and as I have a number of exams to complete (as part of the process of transferring my ordination into a new denomination). I am grateful for the St. John's church family, and for the years in which I had the opportunity to serve as one of your pastors. "May the LORD bless you and keep you; may he make his face shine upon you and be gracious to you; may he turn his face toward you and give you peace" (Numbers 6:23-26).

Grace and Peace

-Alex and Jenny

St. John's:

Many thanks to Pastor Erich and our church family who helped in some way with the beautiful funeral service for my mother, Jane Short. The phone calls, sympathy cards, letters, and prayers were very much appreciated.

St. John's was always an integral part of my mother's 103.6 years of life. She always looked forward to the Pastors visits, St. John's Bible Study at the home, and listening to the church service on the radio. She loved receiving cards from family and friends and would reread and enjoy them many times over.

-Sue Steiner Kinsman

SJCC:

Thanks for the prayers for my elbow. It is feeling, "not so bad". I hope that it is healing!

God Bless,

-Dan Light

St. John's Christian Church:

Yes, I received my weekly bulletin and also it is good to look it over. Thanks so much. The spring days are quite wet and makes walking not so pleasant. A relative of mine (Billye Leininger) has passed away. She will be missed. We have also lost our friend at Fairlawn, Jane Short. She has helped many people and everyone cared deeply for her. I continue to study my Bible readings. Thanks for the card that I received from a group of ladies at St. Johns.

-Bernice Rice

Dear Church Family,

Thank you for the cards and prayers said on our behalf while recuperating from Covid 19. We are so blessed to be a part of St. John's Family.

- Lenny & Jean Stamm

Dear St. John's Scholarship Committee:

Thank you for awarding me the scholarship through St. Johns. This will help me towards me continuing my education at BGSU.

-Callie Rohrs

Dear St. Johns Scholarship Committee:

Thank you so much for the scholarship. It's really going to help relieve the stress of paying for school next semester for me more than you could ever know!

-Andee Grime

Plastic Grocery Bags

Residents of the Fairlawn community continue to need plastic bags for their mat-making project. So bring your bags in and set them in the blue tub under the coatrack across from the chapel.

Ministry

Dear St. John's Family,

Thank you so much for the prayers, cards, gifts, and meals after welcoming Evelyn into the world! She is the sweetest baby and Allie is loving her new role as big sister! We are doing everything we can to soak in the last of the newborn days, as time seems to be moving even faster since her arrival. We would also like to extend a heartfelt thank you to those helping with office coverage in Jocelyn's absence, especially Missy for preparing the Bulletin and Visitors; Susie for covering financial duties; Ryan, Cayla, Kelly and Sarah for covering all technical and digital responsibilities; and all helping with general office coverage. You've made it apparent just how much of a blessing it is to have a supportive church family and we couldn't be more grateful for all of you!

Love, Corey and Jocelyn Walker

Lifting of Pandemic Protocols

At their May 17th meeting, the Consistory approved removing all pandemic protocols as of June 2nd, and returning to our pre-pandemic practices of ministry. It was shared that we have been following the CDC guidelines throughout the pandemic, so it's natural that we follow their guidance on lifting the mask and social distancing protocols.

People who are fully vaccinated need not wear a mask any longer when in the church building.

As June 2nd is a Wednesday, when people arrive for worship on Sunday, June 6th, you'll be able to observe the following:

- Protocol signage will be removed
- Ropes and signs will be removed from the sanctuary pews
- Protocol slides will be removed from projected announcement slides
- Bibles, hymnals and pew cards will be returned to the pews
- The drinking fountains will be available for use
- Children will be invited forward to the chancel steps for the children's message
- Offering plates will be passed during the worship services
- Pastor Erich will walk down the center aisle after the spoken benediction and greet people leaving the sanctuary
- We will seek to have ushers in place for the 10:30 service, to greet people and hand out bulletins.

Returning to pre-pandemic practices of ministry includes no mask or social distancing requirements will be in place for all of our Christian Education, Fellowship and Committee ministries.

Everyone is asked to be understanding of people who will continue to wear masks, practice social distancing and refrain from handshakes and hugs. Parents may choose to have their children remain in the pew during the children's message. Groups serving refreshments and meals may choose to have single serve items or not, and food may be served in cafeteria, family or buffet style.

Hand sanitizers will remain in locations throughout the building and masks will be available for people who choose to wear one.

GIF Gals

The GIF Gals had their first outing on May 13 at the Das Essen Haus. Fifteen ladies were in attendance. There was good food, good conversation and lots of smiles and laughing.

The next get together will be Wednesday, June 16@ 5:00. They will meet at Sullivan's Restaurant in Wauseon. If you would like to carpool, meet in the church parking lot at 4:30.

If you plan to attend, please sign up on the Sign up sheet posted on the bulletin board. Hope to see you there for a fun evening together.

Vacation Bible School

Dates for VBS are dialed in as July 18-22, Sunday through Thursday. Kisha Genter and Bri Krukowski are on board as VBS Directors, and they'll be putting plans in place to provide a VBS experience of fun and creative learning while keeping everyone safe and healthy!

Life Planning

Life Planning met for their final meeting in May. We enjoyed a nice supper and had a few rounds of 'Kim and Karen's game of games' to have a little fun with our seniors. We rounded out the evening thanking and recognizing the seniors. Congratulations to: Zoe Castillo, Josie Grieser, Josee Grime and Emily Hines.

Life Planning will not meet over the summer and start back again in September.

Summer Sunday School Ministries for Children – Preschool through Sixth Grade – from Pastor Erich

Coming out of the year we've had, the reality is that attendance has been low and sporadic, and the past number of summers have seen low and sporadic numbers as well. I am hoping to offer a group lesson format of Sunday school again this summer, for pre-school through sixth grade, if we can find willing teachers, which we are working on.

Christian Camp Scholarship Program

St. John's Christian Church will cover up to 50% of the registration fees for children and youth of the congregation attending Christian camping events. Parents will be responsible for registering their child or youth for a Christian camping experience and informing the church office of their registration. Parents will complete and turn into the church office a form for each child they are sending to a Christian camp. St. John's will pay the registration costs based on either an early registration discount or the cost of the camp no later than two months prior to the event.

Work Transition Program

Through the Northwest Ohio Educational Service Center's MD Work Transition Program at Four County Career Center, we were once again blessed to have eight students and two teachers spend time each week here at the church. On Monday afternoons the students were at the church for about one hour and forty-five minutes, and they did all types of tasks for us – folding, sealing and labeling the Visitor, taking inventory of the kitchen and office supplies and equipment, moving historical records to a new storage location, and many other such tasks.

On Thursdays, the program made use of the church kitchen and made doggie treats that are available for sale to others, and then they helped in the prep work of cooking meals and snacks.

It's always a blessing to meet the students and have them helping around the church!

Administrative Assistant – Jocelyn Walker

We have been very blessed with so many willing volunteers to tend to many of the administrative and financial tasks during Jocelyn's time of maternity leave. A huge word of thanks to all!

Jocelyn plans to return to the office in mid-June, working two to three days per week, until mid-July.

Consistory

Search Committee for the Pastor of Music and Worship

At their May 17th meeting, the Consistory spent time discerning who to ask of the congregation to serve on this very important committee, including chairperson nominees. Hopefully the search committee will be fully formed in a timely manner so the work of the search process can get underway. Once the committee meets and get organized, further information will be shared with the congregation.

Revised Plans for the Summer Mission Trip

Annually scheduled for the second full week of June, this year’s mission experience is scheduled for June 14-18. Instead of lodging at Tower Hill Church Camp and working with LaPorte County Habitat for Humanity this summer, we’ll be working locally – on the Friendship House Build.

We’ve been exploring options for the week since LaPorte County is not building a home this year, primarily due to the extreme rise in the cost of building materials. One long time participant of the trips suggested we could work on the Friendship House this year, and we’re going to go with that suggestion.

So here are the details:

1. Project – The Friendship House – located at 118 S. Defiance Street
2. Days – Monday through Friday, June 14 thru 18
3. Daily Schedule
 - a. Arriving at the site no earlier than 8:30am
 - b. Starting time will be 9:00am
 - c. Morning devotion time will be around 10:30am
 - d. Lunch time will be around 12:00pm – served on site
 - e. Afternoon break time will be around 2:45pm
 - f. Work will end at 5:00pm
 - g. Dinner time will be around 5:30pm – served on site
 - h. Work will include shingling the roof, installing door and windows, siding, exterior trim, interior walls, insulating, hanging drywall, lawn seeding and landscaping, at least!
4. Working locally opens up the project to people who’d like to work just a day, or just an afternoon, etc., or to people who might want to provide a lunch or evening meal!

Please let Pastor Erich know if you are interested in any aspect of #4 above so he can make plans for the week!
