# Welcome! We are so glad you are here.

---

Welcome to SJCC! We are so glad you have chosen to join us as we worship the Lord together. We hope you feel God's love in a refreshing way. Please let one of our ushers know you're new (*they may have already noticed your new face!*) so they can give you a welcome bag filled with helpful information about our church. We also invite you to fill out a quick survey so we can get to know you a little better. Simply scan the QR code to the right with your phone's camera while you're waiting for worship to start!

## Nursery Care/Diaper Changing Stations

Nursery Care is offered during our 10:30AM service for children ages four months through pre-school in the second floor room labeled "Artisan's Tent." Parents can register children for Nursery Care online at [www.stjohnsarchbold.org/nursery](http://www.stjohnsarchbold.org/nursery) or by scanning the QR code to the left before checking into the nursery for the first time. Diaper changing stations are located in the office of the Director of Youth and Young Adults and in the Artisan's Tent. An usher will gladly direct you if needed!

**Children's Busy Bags** are located in the gym for children ages one-year to third grade. Bags are marked by age (**Pink** = Ages 1-2; **Green** = Ages 3-5; **Yellow** = Grades K-3). Please be sure to return bags at the end of our service today. If you would like to mark a bag specifically for your child (ren) each week, please contact the church office.

## Give & Take Board

Do you need a little peace in your day? Confidence? What about self-control? Are you in need of a spiritual pick-me-up? Could you use a quick bit of kindness after a long week? Or do you have these things to spare? Then stop by the Give and Take Board outside of the Preschool Room! Give what you can and take what you need. You just might feel or fill someone's heart with the love of God and make their week brighter!

**Large Print Bulletins** are available at a table in the chapel narthex.

**Hearing Assistance** is provided by our system for hearing aids with a "loop system" switch position.

**Let's Connect!**

## SCRIPTURE READING

---

**Psalm 147:1-6** Praise the Lord. How good it is to sing praises to our God, how pleasant and fitting to praise him! <sup>2</sup> The Lord builds up Jerusalem; he gathers the exiles of Israel. <sup>3</sup> He heals the brokenhearted and binds up their wounds. <sup>4</sup> He determines the number of the stars and calls them each by name. <sup>5</sup> Great is our Lord and mighty in power; his understanding has no limit. <sup>6</sup> The Lord sustains the humble but casts the wicked to the ground.

**Mark 4:35-41** That day when evening came, he said to his disciples, "Let us go over to the other side." <sup>36</sup> Leaving the crowd behind, they took him along, just as he was, in the boat. There were also other boats with him. <sup>37</sup> A furious squall came up, and the waves broke over the boat, so that it was nearly swamped. <sup>38</sup> Jesus was in the stern, sleeping on a cushion. The disciples woke him and said to him, "Teacher, don't you care if we drown?" <sup>39</sup> He got up, rebuked the wind and said to the waves, "Quiet! Be still!" Then the wind died down and it was completely calm. <sup>40</sup> He said to his disciples, "Why are you so afraid? Do you still have no faith?" <sup>41</sup> They were terrified and asked each other, "Who is this? Even the wind and the waves obey him!"

# SERMON NOTES "THE GOD OF MIRACLES: CALMING THE STORM"

---

Teachings in Capernaum – 3:20-35

Parables of the Kingdom – 4:1-34

Trip across the Sea of Galilee – 4:35 – 5:20

Jesus Calms the Storm – Mark 4:35-41, Matthew 8:23-27, Luke 8:22-25

- ◆ Nature miracles – Jesus is Lord over both the church and creation (Colossians 1:16)
- ◆ Many want to explain away this miracle as coincidence, myth or imagination
- ◆ A miracle of this kind is consistent with who Jesus said he was

When evening came...

- ◆ Jewish day began at sunset, daytime activities began at dawn
- ◆ Custom of prayer three times a day – morning, noon and night
- ◆ They didn't wear watches...didn't follow an hourly schedule per se...the third hour, the sixth hour, the ninth hour...varied by the seasons

The many details shared of the account time of day – “just as he was,” “other boats,” the position of Jesus in the boat, the cushion, sharp rebuke, terror – shared from the perspective of an eyewitness

Setting of the sea – susceptible to sudden, violent storms – a furious squall – the boat was being swamped

Only mention in the gospels of Jesus sleeping – truly tired, to sleep through the storm

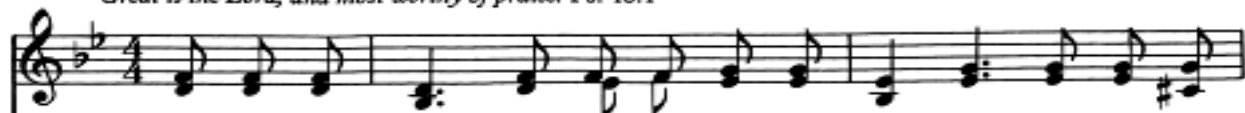

Rebuked

- ◆ Disciple's rebuke of Jesus – still discovering who Jesus is
- ◆ Jesus rebuked the wind, the waves, and the disciples
- ◆ Rebuke...expected the disciples to have a more mature faith at this time, faith meaning faith in God's saving power as it is present and active in the person of Jesus

Terrified – a feeling of awe, something new revealed to them in this experience

# BUILDING PROJECT STATUS REPORT AS OF JULY 3, 2025

---

## Restrooms

- ◆ **The new restrooms are ready for use!** New window sills are yet to be installed, and unfortunately, the counters were made wrong, which was identified by one of the project architects on a recent walk-thru, so correct counters are being manufactured.
- ◆ Beginning July 8<sup>th</sup>, demolition of the south restrooms will begin. The east wall of the restrooms will be screened off, including the west half of the south porch entrance doors, yet access will still be available through the east half of that entrance.

## Status of Sanctuary:

- ◆ The overhead pendent lights were to ship July 3<sup>rd</sup>. Electricians will install upon arrival.
- ◆ Ceiling boards for over the former choir loft are on site and ready to be installed, and the oak trim for the ramp and chancel area is on site as well.
- ◆ Ramp handrail has been field checked and is awaiting fabrication.
- ◆ Once the pendent lights are installed, the flooring contractor will install the LVT under the pews.
- ◆ Pew installation has been reset for the week of August 11<sup>th</sup>.
- ◆ Following pew installation, carpet will be installed in the aisles. Chancel area carpet will be installed once oak trim and ramp railings are in place.
- ◆ The new ceiling finish of the sanctuary narthex is in process.

## Other areas:

- ◆ Toledo Edison is scheduled to install the new electric transformer on July 9<sup>th</sup>, potentially a two day project. Then Creighton Electric will spend the week of July 14<sup>th</sup> making the transfer from the old electric service to the new electric service – they have been running new conduit and wire in the boiler room from old panels to the new panels in preparation for the switch over.
- ◆ The subcontractor will continue the various exterior step and sidewalk work, saving the south porch replacement and new ramp installation until last.
- ◆ Elevator installation is confirmed for August 13<sup>th</sup>.
- ◆ The first floor (in the preschool room) and second floor single restrooms and the two custodian rooms by the elevator will be pushed along by the contractor.
- ◆ The two boilers were delivered on July 1<sup>st</sup> so their installation and connection to the radiant floor heating pipes will soon get underway.
- ◆ Work continues on installation of HVAC ductwork, air handlers and compressors.

It remains the intent of the Mel Lanzer Company to complete the entire project by November.
